TheRa hwayHousingAuthorityisland -lockedandbuildingsaturated. Tomeettheneeds assessmentbothfromourownwaitinglistexperienceaswellasfromthedatacollected from the 1990 Census and Union County's Consolidated Plan, new dwellings on new landwould need to be acquired. Real Estate development is along -term commitment that depends upon long -term returns to make the investment worthwhile. Development of housing stocks imilar towhat RHA has now depend supon subsidies, which currently cannot be ounted upon as HUD "soulsearches" the pathit want stotake in the near and long term.

Affordablehousingdevelopmentcannotdependuponthe "old" methodsbutmustemploy fundingsourcesnotcommonlyused. The acquisition of landits elfwill be expensive and possibly unproductive for years until RHA has the funding to build upon it. It is time consuming and somewhat risky to layer all the financing necessary to develop affordable housing and to pay for cost of complying with the ongoing regulations without the prospects of a subsidy. This is a tough road that will take years but it can be done.

Therefore, the plans, statements, budgets ummary, policies, etc. set for thin the Agency Planle adtowards the accomplishment of our goals and objectives. Taken as awhole, they outline a modern comprehensive approach towards our goals and objectives and are consistent with the Consolidated Planwhile addressing continued HUD requirements. Here are just a few highlights:

- EnhancethemarketabilityandcurbappealofRHA'spublichousingunits.
- Increaseandimprove theidentityofRHA.
- AggressivelypursueResidentsOpportunitySelf -Sufficiencyprograms.
- ApplyforRedevelopmentAgencyStatusorcreateadevelopmentnon -profit organizationinthenearfuture.
- Pursuealternatefunding.
- Inthedaytodayoperations,kee pinmind,qualityoflifeissuesareimportant.

Insummary, we are on course to improve the condition of affordable housing in Rahway.
